

A new website for Caledonian.

PREPARED FOR GRANT AND THE CALEDONIAN CREW • BY ERIC BERG, CRUSH

THE TOP OF YOUR HOMEPAGE

Three ways it could look. Pick one, and we build the rest in it.

Within a week
of saying go

YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 On time and in uniform, with fully stocked vehicles.

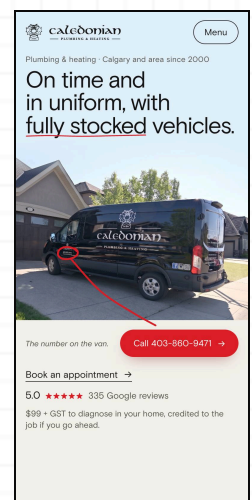

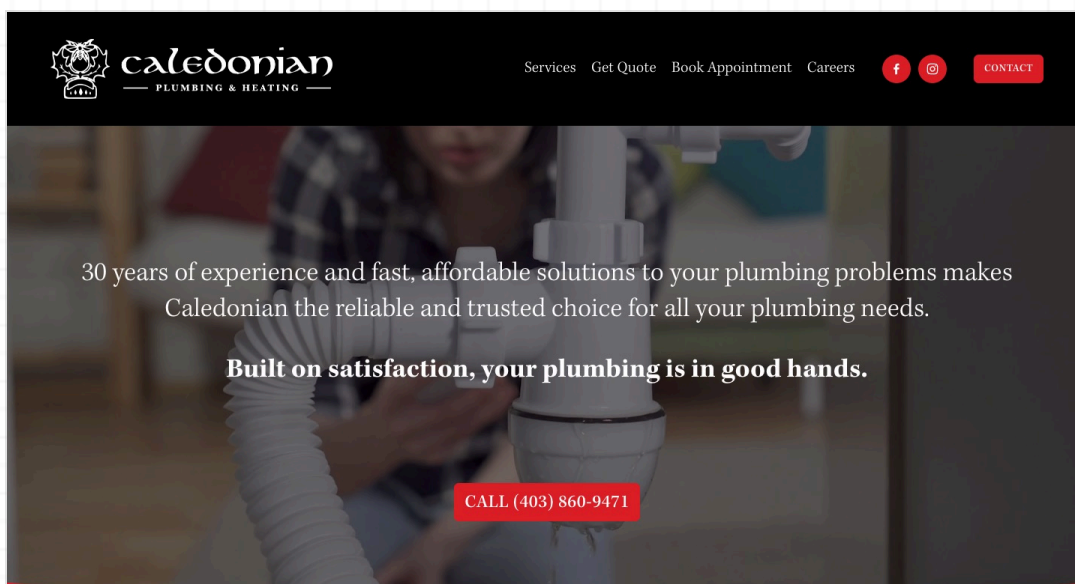

Your own commitment line from your homepage, set up in the sky over your own black van in a sunny Calgary driveway. A red pen circles the number painted on the van's door and runs it to the Call button.

02 Dare tae be honest and fear nae labour.

The Robert Burns line from your careers page, beside your real crew of eight in Caledonian shirts at the van, in your black livery, your red and your tartan.

03 Still have Poly-B?

Your own banner question, with a grey Poly-B line strapped across a basement wall and the two things your Poly-B guide tells homeowners to check: the PB2110 marking and the joints. Every option keeps your number one tap away.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03 Who owns it?

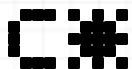

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free, then unlimited changes are \$49 a month if you want them, cancel anytime.

05 When do I pay?

Half (\$1,750) when you say go, the rest (\$1,750) when the site is live. You've seen the homepage before paying anything.
